Acumen

Turnkey Project Solutions

PROJECT MANAGEMENT

TURNKEY PROJECT EXECUTION

SS / MS EQUIPMENTS / TANKS FABRICATION

SS / MS PIPING, CLEAN ROOM PIPING

IBR / NON IBR PIPING

STRUCTURE FABRICATION & ERECTION

CHIMNEY / BOILER / HEAVY EQUIPMENTS ERECTION

CABLING & INSTRUMENTATION

AMC / ARC FOR PROCESS PLANTS & MACHINERIES

ENGINEERING SUPPORT

INSULATION OF EQUIPMENTS & PIPING - HOT & COLD

ABOUT US

ACUMEN ENGINEERS is founded by team of engineers who have vast experience in project execution field. They have personally handled several projects in their service. They are familiar with all basic project activities like project timeline management, layout drawing preparation, foundation cross checking as per drawing, on site modifications, co-ordination with vendors & customer, commissioning of boilers, cooling towers, refrigeration plants, process plants. Erection & Piping as per P&I D's & layout. Practical experience to handle several unit operations in chemical, food, pharma & process plants.

Above strengths enable us to give better solutions to our customers for their site & in house requirements. We provide the latest technology and equipment allowing us to give our customers the best service possible on-site and through other media.

The target groups of Acumen Engineers are those customers for which the standard service of the common contractors is not sufficient. We seek to distinguish ourselves by providing the most possible flexibility and reliability in customer service. Our global network enables clients to benefit from a package tailored to their project needs and time requirements.

We would like to discuss your future objectives and how our services may be of help in obtaining your over all goals. We shall therefore be grateful if we may be registered as Contractors for consideration of award of contracts in your organization in view of your position as Clients.

As an accredited intermediary in your projects, we keep the promise you gave to your customers: - JUST-IN-TIME + QUALITY.

We assure that you will find our Quality & Services best in the Industry

OUR VALUED CUSTOMERS

- Amrapali Biotech Pvt. Ltd.
- Doshion Veolia Water Treatment
- DVC Process Technology
- Bio Pharmax Group
- HRS Process Systems
- Tricom Food Processing
- Dynamic Products Ltd.
- Cadbury India Ltd.
- Pepsico India
- United Breweries Ltd.
- Transparent Energy Systems
- Royal Foods
- Srujann Fenco Food Engineering
- Indian Soya Industries
- Avi Agri Business Pvt. Ltd.
- Posco Maharashtra Steel
- Vacuum Plants & Instruments Ltd.
- Shree Ram Fabrication
- Scigen India
- Pall India
- Doehler India
- Mothers Dairy
- Tulya Beverages
- Zenith Engineers
- Alba sales Corporation (Saudi Arabia)

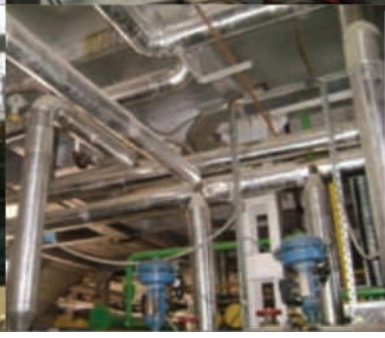

OUR SERVICES

We undertake turnkey project erection & commissioning contracts

- **Project Management**
  Engineering support for Erection & commissioning
  Project scheduling I bar chart preparation
  Validation services

- **Erection**
  Chimney Erection I Boiler Erection
  Erection of Heavy process equipments

- **Piping**
  Utility / Process Piping I Ducting - SS/MS
  Clean Room Piping I IBR / Non IBR

- **Cabling & Instrumentation**
  Power I Control wiring I Cable tray Laying
  Instrument Cabling & terminations

- **Fabrication**
  SS /MS tank & Equipments fabrication
  Structure fabrication & Erection

- **Welding**
  TIG I ARC I Orbital

- **AMC / ARC for process plants & machineries**
  Regular maintenance of plants
  Preventive maintenance
  Break down / shut down maintenances
  Annual Plant operating contracts

- **Insulation**
  Hot & Cold Insulation
  Piping & Equipment Insulation

- **Supply of Engineering Goods**

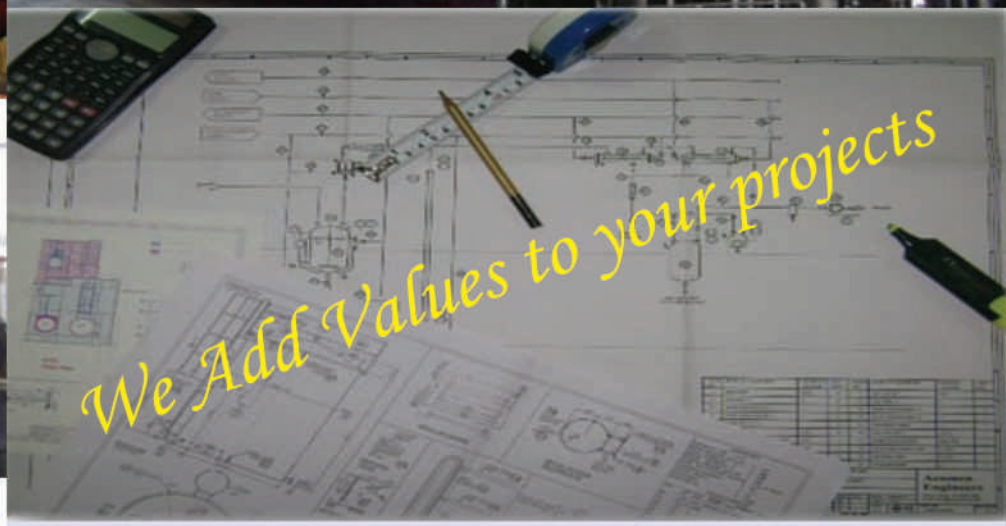

OUR CLIENT SECTORS

- Brewery / Distillery
- Food, Beverages & Dairies
- Pharmaceutical
- Chemical / Paint Industries
- Water treatment
- Sugar Factories
- Oil & Gas Plants
- Oil Refineries
- Surface Treatment plants
- All Process Industries

INFRASTRUCTURE

- Engineering Project Office in Pune
- 6000 Sq. ft. Fabrication shop
- Team of Engineers / Supervisors, capable to understand process requirement
- Team of Skilled technicians including welders, fitters, riggers, electricians.
- Quality welders (Orbital, TIG & ARC)
- Set of rectifier Welding Machines
- Fabrication Tools
- Rigging Tools, Chain blocks

OUR REGISTRATIONS

■ VAT ■ CST ■ SERVICE TAX
■ IMPORT EXPORT CODE ■ Employee PF
